THE INFINITY COMPOSITE DOOR COLLECTION

INTRODUCING

THE INFINITY COMPOSITE DOOR

MAKE A STATEMENT

Whether you are returning home from a busy day or welcoming a visitor, you want your front door to create a great first impression so only the most stunning doors feature in our collection.

Take inspiration from our contemporary and traditional door styles to choose the look which compliments your home. Bold colours, finished to modern technical standards will not only enhance the appearance of your home but require virtually no maintenance so you can relax in the knowledge that the hard work has been done for you.

MAKE AN ENTRANCE

Let your door really make an entrance by selecting stylish accessories. Handles can be fitted in either modern handle positions or choose a more traditional door pull fitted centrally together with the heritage lock position.

Stunning glazing options allow you to flood your hallway with light, compliment the colour of the door with coloured glass, or maintain your privacy by choosing a solid door panel.

No need to worry about heat loss either as our doors are well insulated and we only use the most energy efficient glass.

Our Composite Door Collection is a complete range of thermally efficient composite doors manufactured to the highest quality standards.

There are 19 Traditional styles and 9 Contemporary styles offering you the best choice for your home and our unique Inox range (page 34) with stainless steel glazing covers, adds exclusive designer style.

We also offer doors with toplights and sidelights when required in either a matching composite side panel or glass options.

For disabled access we offer a Building Regulations Part M compliant aluminium threshold.

THE WIDEST RANGE OF COLOURS

With our high performance paint technology, we can offer a wide range of colours for doors and colour foils for door frames giving you a fantastic choice for your home.

TRADITIONAL DOORS

The range of traditional doors are designed to replicate the most popular timber doors and come with highly defined mouldings and realistic wood-grain embossing on the surface. Whether used in a Victorian home, a modern townhouse or a farmhouse cottage, these doors always add to the appearance of the entryway and with the widest range of styles available in the market, there is a door for everyone.

These doors are transformed by the choice of decorative glass and colour and with 16 door colours available and a huge range of glass options from the simple diamonds of Classic through to the stunning multi-faced bevelling and black chrome of Reflections, these doors can make a real statement.

With the range of Traditional door styles, we can also tailor the furniture to suit your tastes. Finger pulls are an option should you wish to change from the standard lever handle.
